February 25, 2015

Dear Eleventh Grade Parents;

Next week we will begin formal testing of our eleventh grade students with the ACT and WorkKeys exams, followed by the new M-STEP exam in April. The testing dates below are determined by the Michigan Department of Education, and all eleventh grade students must test on each of these days. Participation is a graduation requirement at Redford Union High School.

The testing calendar includes administration of the ACT exam at no charge, which is a required college entrance exam for most universities across the country. We have a goal of perfect attendance this year. Your help will be critical. Please be sure to have your student in school on the following dates. All testing dates are REQUIRED for every 11th grade student.

March Testing

Tuesday, March 3	7:30 a.m. – 12:45 p.m.	ACT Exam plus Writing
Wednesday, March 4	7:30 a.m. – 10:50 a.m.	ACT WorKeys

On March 3rd students will be dismissed from at 12:45 p.m. On March 4th students will have a full day of school.

April Testing (New this year)

Tuesday, April 14	7:30 a.m. – 10:05 a.m.	MSTEP English Language Arts
Thursday, April 16	7:30 a.m. – 8:30 a.m.	MSTEP Science
Tuesday, April 21	7:30 a.m. – 10:05 a.m.	MSTEPMath
Thursday, April 23	7:30 a.m. – 8:30 a.m.	MSTEP Social Studies

Students will have a full day of school on each MSTEP assessment date.

Please do not schedule any appointments for your student during these testing dates, as participation is a graduation requirement.

Breakfast will be available in the cafeteria on March 3rd and March 4th for students interested in purchasing a meal. Please be sure that your student is well rested, on time, and ready to give their best effort on test days. Thank you for helping us to provide an optimal testing environment this spring.

Sincerely,

Judith L. Nachman
