Important News

- On Monday, March 22nd we will be starting our four-day in-person schedule with students.
  What you need to know:
  - If your child is an In-person student, they will now attend 4 days a week instead of 2. Friday is still an all-virtual day. Their new schedule is here.
  - If your child is a full virtual student, their schedule remains the same. Click here to see.
  - In-person enrollment is closed. If you want to move your child to In-person, you can call the office and get on our waitlist. We will contact you if spaces become available.
  - The routines and procedures for the school remain the same. Please see our Return Manual here.
- The Friday Virtual Schedule (all students) for the rest of the year is here.
- **Virtual Parents**: do you want your child to take the PSAT or MStep tests? These tests cannot be taken virtually. We will have testing days set aside for virtual students to come in to school for testing only. If you do not opt-in for this in-person testing, you are choosing to have your child not take these tests this year. If you would like to sign up, click below.
  - 8th Grade
  - 6th and 7th Grade
- The bus schedules can be found on our website here.
- The Redford Union School Board has voted to put a bond proposal on the May 4, 2021 ballot. The $59.2 million bond proposal will address critical infrastructure needs and make improvements to aging educational facilities across the District. The proposed bond comes at a zero tax-rate increase to the community.
  For more info, click here.
- Redford Union Schools Kindergarten Registration is now open for next year. If you need more info, click here.
- Sign up for **Remind**: important and urgent messages to parents (e.g., snow days) are sent out through Remind. This shows up as a text on your phone and is limited to 140 characters. You can sign up here.

Stay Strong Panthers!
