Workshop:

District-wide Technology Purchase(s)

Kim Crenshaw, Executive Director of Curriculum and Technology presented.

The total cost is estimated at \$475,000.00.

There were questions and answers.

The District will take a close inventory of the technology in each of the buildings and its useful life and come with a technology replacement road map plan.

Professional Learning – August Overview

Kim Crenshaw, Executive Director of Curriculum & Technology presented a high-level overview of the Professional Learning Day plans on August 24th and August 28th. Teachers are required to be on site on August 24th. August 28th will be a workshop. Some sessions will be required for staff to attend, and others will be selected by staff.

There were questions and answers.

Multi-tiered System of Supports (MTSS) Academic Intervention Plan(s)

Kim Crenshaw, Executive Director of Curriculum and Technology presented.

Trustee Bailey said when things are done in the District and they work with 50% - 90% improvement, he requested to be updated on the data-driven evidence based information.

There were questions and answers.

Board Policy Review – Introduction & Section 1000 – Bylaws

Jasen Witt, Superintendent presented.

The Introduction & Section 1000 will be brought forth again at the next Board Workshop for review and discussion due to only 4 members were present tonight. Also, Section 2000 will be introduced to the Board at the next Board Meeting.

There were questions and answers.

President Pridemore noted the policy of Committees which states that the Board may create various committees to gather information for the Board. Committee members will be appointed by the Board President. A committee will not consist of more than three (3) Board members.
