Board Workshop: 6/27/2022

Board members expressed their concerns on several design plans of the 2021 Capital Bond Projects that were presented.

Some Board members suggested a change to the plans that would include an upgrade to Hilbert's football field instead of building a field at the high school.

An extensive discussion continued.

Superintendent Witt said that another approach could be to consider putting some of the potential items on a Wish List and one of those items could be looking at what it would cost to construct a track at the high school.

Trustee McKee said taking the Board's temperature the football field should stay at Hilbert.

Lamberto T Smigliani said that the Bid process will start in December 2022.
