Dear Panther Families,

I hope this letter finds you well and that you and your family had a wonderful summer. As we begin this 2023/2024 school year tomorrow – Tuesday, August 29th, I want to extend both a warm welcome and welcome back to our returning families and those new to our school community.

Our District is committed to providing a safe and nurturing learning environment where every student can thrive. The majority of our classrooms have been updated through much-needed construction renovations and many classrooms now also have new furniture and updated technology for our students and staff. Additionally, we have re-imagined our pre-K through 12th Grade (& Early College) configuration and invested in new academic and social & emotional learning programs to give our students more opportunities to explore their interests and develop new skills. All of these changes (and more to come throughout this school year and next summer) have the potential to positively impact the learning experience for our students and help prepare them for success in the future.

Your involvement is also crucial to a successful school experience for your student(s). A genuine partnership between parents and school staff is an important factor in establishing a supportive learning environment that fosters academic achievement and personal growth. We encourage all our parents to stay involved in their child/children's education by attending parent-teacher conferences, volunteering in the classroom or school where opportunities exist, and staying informed about their student's /students' progress. Parents (and guardians) can help identify areas where their child/children may need extra support, and they can work with school staff to develop strategies to address these needs. Having everyone on the same page requires effective communication, mutual respect, and a shared understanding of the goals and objectives. With these elements in place, we can overcome any challenges that may arise, and our students can continue to grow and achieve great things.
