

# Redford Union Schools Strategic Plan Summary 2016–2021

## Mission

Redford Union Schools is committed to providing excellence in a safe and challenging learning environment.

## Vision

Redford Union Schools will transform the lives of students by offering an innovative, collaborative, high quality education.

## We Believe

- Students learning is our highest priority.
- Students learn best when they are active engaged in a learning process that meets their personalized and individual needs.
- Students deserve a right to be educated in a safe and secure learning environment.
- The school community benefits from an inviting environment that fosters mutual respect for all.
- Students benefit when school, family, and community are active partners in education and have high expectations for success.
