

Redford Union Schools

Entry & Screening Procedures

Welcome Back!

FACE MASK REQUIREMENTS

- All staff and visitors will be required to wear a mask while inside our buildings. Individual employees may choose to remove their mask when isolated within their classroom, office space or individual workspace so long as social distancing is maintained.
- Staff who cannot wear a mask for a medical reason are required to provide the school district with a written and signed clearance from a licensed medical doctor. The District may follow-up with that medical doctor to confirm clearance, if needed.
- Masks must be school-appropriate and not have offensive language/images on them that is considered by school administrators to be disruptive to the work environment.

Our face mask policy is in place not only to protect our general staff population, but also staff who may be immuno-compromised/high-risk for COVID-19.

What does a successful screening
look like at our buildings?

All screening stations will include the following:

Thermal Scanner Kiosks

Disposable Masks

Hand Sanitizer

Backup Touchless Thermometer

Disposable Gloves

Face Shields available upon request in main office

What does an **unsuccessful** screening look like at our buildings?

After experiencing an unsuccessful screening...

Contact your building/program administrator.

Follow the instructions on the Clear to Go app and additional instructions will be given by the school district shortly thereafter.

DAILY CHECKLIST

- ✓ Prior to arriving to work, you must complete your health screening on the *Clear to Go* app.
- ✓ Wear a mask into the building
- ✓ Take your temperature at the kiosk
- ✓ Maintain social distance from others
