Welcome to
The Redford Union School District's
ParentConnection

A NEW WAY FOR PARENTS TO STAY INFORMED ABOUT THEIR CHILD

As part of our on-going effort to improve communication between parents and our schools we are implementing a new service entitled *ParentConnection*. This service provides parents with direct access to student data via the Internet. Using a confidential login and password, parents can connect to the school district's student database using a web browser and view their child's data, such as progress reports, attendance records, report cards, transcripts, and more.

This information is "live", which means you will see changes immediately after a change is made to your student's data (attendance, grades, assignments, lunch, etc.). Report cards and progress reports are not "live", they will not be available until they are compiled and we publish them to the web (generally several days after the end of the marking period).

Not all types of information are available at all levels. The different types of information that you can view at this time include:

High School
• Attendance
• Behavior
• Marks/Grades
• Cafeteria
• Assignment Information
• Schedule
• School & Classroom News
• GPA / Transcript Information

We hope Parent Connection will be helpful in keeping you informed about your students.

If a parent loses his/her ID or password, he/she must present picture ID to the school office in order to receive this information.

<u>ParentConnection</u>

If you are interested in participating in Redford Union's Parent Connect Program, please sign and return this form.

Your Pin #s and Passwords will be sent to you by email.

(If you have a student at Hilbert Middle School, your Pin and Password will be the same. If you lose your I.D. & Password you must present picture ID to the school office to receive the information)

Student's Name _____ Grade _____

Parent's Name (please print)_____

Parent's Signature _____

Email Address _____
                              (Please print legibly)

Individual Pin #s and Passwords available for each parent if necessary.

Information and instruction will be provided for "log on" procedures and how to navigate throughout the system when your Pin # and Password is sent to you.
