Redford Union

TEACHER Time

Panthers…RU Ready for RU Teacher Time?

Near or far, your teachers are here for you!

Who: You Matter! All staff care about how each student is doing; emotionally, physically, and educationally.

What: Starting Monday, March 30, Redford Union teachers and other key staff will be available for their students to answer questions, support learning, or just to check-in.

How: Each teacher will reach out to his/her family through email, phone, text, or a technology program (Remind 101, Class Dojo, Google, Zoom, etc.) and provide their contact information.

When: The hours each teacher will be available every weekday during the closure, will vary. Please plan to hear from your teacher SOON!

No distance is so big that we cannot continue the bond between teacher and student…
