PRIMARY GOAL

As has been the case throughout this global COVID-19 pandemic (including our successful operation of extensive summer school offerings), **Redford Union Schools** remains **fully-committed** to providing a **safe learning environment** for our students and a **safe working environment** for our staff as we look to return to a **more-traditional in-person learning/working environment** for the 2021/2022 school year. Likewise, the District's mitigation measures will remain **flexible & responsive** to guidance and/or **mandates/orders** from **County, State, and Federal** authorities.

**SAFE RETURN TO AN IN-PERSON DELIVERY MODEL
THAT WORKS BEST FOR MOST STUDENTS!!**
